

Frescou

Air Freshener

Fragrances:

Lavender

Smooth Powder

Description:

A water soluble deodorizer that will neutralize odors associated with a variety of sources. Because it mixes readily with warm water it can be added to mopping solutions, rug shampoos, etc. When diluted with water it is effective as a space spray wherever odors are a problem.

Directions:

As a space spray deodorizer, spray a fine mist upward into the air. For longer lasting effect spray over absorbent material in trash containers. If air conditioning is being used, spray into coils and filters. In autos spray on carpets under seats. For extreme cases spray directly on source of odor such as garbage containers, diapers, pet and human accidents, etc. Dilute product 1/2 ounce per gallon when added to cleaning solutions.

NOTE: Carpets and draperies vary in colorfastness. Do not apply directly to them without thoroughly testing in out-of-way spot.

Benefits:

- Non Aerosol
- Biodegradable
- Pleasant fragrance
- Long Lasting

Specifications:

Appearance.....Light Amber, Colorless Liquid
 Odor.....Pleasant, Lavender odor
Smooth Powder: Specific Gravity0.995 ± 0.005
Lavender: Specific Gravity1.000 ± 0.005
 Boiling Point.....Near 212°F
 pH10.0 ± 0.5
 Flash Point102°F
 StabilityOne year minimum
